MICKEY MOUSE

Kyle Of Mulltyre (Part One)

The River Brannach should be just over there, which means it's about two more kilometres to the hotel.

(Sigh!) Oboyo, one whole week of relaxing salmon fishing!

Drat!

Leaky radiator. Get a can, Goofy! We've got to find some water!

Lucky we're so close to the river!

Yikes!

BLAM!

Hey! What's the big idea?

Just to let you know what we do to folks who fish illegally in these parts!

He thinks we're poaching, Mickey!

We're not - we're staying at the hotel! All we want is water for the car!

There's a spring further down the road. You can get water there!

Soon...

There it is! "Home of the happy fisherman", the travel agent called it!

So why do those people look so unhappy?

We've been here a week and haven't even **seen** a salmon, let alone **caught** one!

We're leaving!

(Sigh!) Very well. I'll refund your money.

What was that all about?

All the salmon have disappeared from the river! I'm ruined!

Normally the salmon swim downstream to the sea at this time of year, but so far... not a single fish!

Now I'll have to sell the hotel! The estate agent should be here any minute to put a value on it.

On our way here we ran into a gun-toting gamekeeper who didn't want us anywhere near the river!

Hamish McGaunt!

His bark is worse than his bite, but Hamish certainly knows how to keep poachers at bay!

I don't know about you, Mickey...

...but having come this far, I might as well wet a line!

Great idea!

Hours later...

(Sigh!) Not even a nibble! There's nothing here, Goofy.

I don't get it, Mickey! My special "double whammy" lure is guaranteed to hook anything that moves!

I'm gonna try one last cast!

Aw, shucks!

SNAP!

Oh, no! My double whammy!

Nice-looking motor!

Yeah, but I don't like the look of the pair sitting in it!

Hello there!

Isn't it amazing? A guest who stayed here at the hotel a month ago is showing an interest in buying it!

Mr Grubstake here is offering £75,000 for the property. Given the current state of the market, it's a fair price!

How about it? That's not bad for a salmon-fishing hotel with no salmon to fish!

It's so low...but I've no choice!

Excellent! My solicitor in Invermore will draw up the contract and I'll come back with it at 9am tomorrow!

By the way, have you heard any explosions recently?

Explosions?

A MOUNTAIN HIKE!

Huey, Dewey and Louie have got up early to go on one of their long Junior Woodchuck hikes. They're aiming to reach the mountain by lunchtime - help them to find their way!

UNCLE SCROOGE

Justice For All

If nobody lives here, it's because nobody **wants** to live here! Don't you understand, Uncle Scrooge? You're the only one who...

Yes, yes, I understand **perfectly!** Just keep driving!

That's an interesting sign. Must be an old election poster.

Ha! Ha! Ha! Blacksake sure picked the right place! With all the **heavy traffic** around here, they should be able to find **three** voters!

Two lizards and one beetle! Ha! Ha! Ha!

Yes, Donald, very funny. What's that racket?

BLAM!
BOOM!

What happened?

I don't believe it! We've got flat tyres! All **four** of them have been punctured!

The road's covered with **nails and broken glass!**

It must have fallen off some passing lorry loaded with junk!

Just our luck! With all this empty space around, it had to happen **here!**

Not far away...

Heh! Heh! Our trick's worked **again!** We got us some new chickens to pluck!

You're a **genius**, sheriff!

Yep! Once they fall into our trap, they're easy pickin's! Time to go put the **squeeze** on 'em!

Look! Here comes a car!

What luck! It's a **police car!** They can use their radio to call a breakdown lorry!

Aha! Insulting an officer of the law is a £700 fine!

You're **crazy!** There aren't any such laws!

Threatening behaviour - £900. What's the total so far, Horace?

Let's see..as well as the fines, there are fees to cover **petrol and insurance** for the police car, **overtime pay** for the sheriff and deputy, **donations** to the Dustbowl County Sheriff's Deputies' Retirement Fund, etc. etc. ...That adds up to, ooh, £5,000!

Well, ducks, are you going to **pay** or are you going to **jail**?

We're not paying a **penny** until we see a **judge!**

All right. But until then, you'll have to sit in a cell. And in the Dustbowl County Jail, room and board's gonna cost you **£50 a night!**

Take 'em away, Horace!

Follow me! And if you even **think** of trying to resist arrest, you'll be in **big** trouble!

Later...

I can't believe it! In all these years, I've never met a sheriff like that... he's **such a crook!**

This little town must be **terrorised** by that guy!

You're right there! This place is so far away from the big cities...

...our crooked sheriff, **Blacksnake McQuirt**, and his deputy **Horace** can do any rotten thing they like, and the authorities never hear about it!

Nobody else wanted to run for sheriff in the last Dustbowl election, so McQuirt was the **only** candidate!

Okay, Smith, you can go!
Your wife paid your fine
and the bill for your room
and board in jail!

By the way, she had to **sell**
your **house** and your **car** to
manage that!

Who bought all that?

Why, our own Sheriff McQuirt!
He gave her the money, but she
had to give it right back to pay the
fine and the jail bill! **Heh! Heh!**

(Groan!)

Cheer up, Smith! At least
you've still got your
health!

That's **all** I've got left! So
long, Ducks, and good luck!

You too, friend!

Hey, Horace! What
terrible "**crime**" did
Mr. Smith commit,
anyway?

Littering! If we let **him** get
away with dropping a gum
wrapper on the street, then
everyone would do it!

It's all gone quiet in there. It
won't be long before those
ducks cough up the dough we
told 'em they owe us!

That ain't
good enough
for me!

Whaddaya mean?
You don't think
you can squeeze
more loot out of
'em, do you?

What we've fined 'em is just
chickenfeed compared to what we
could get! The one with the top hat is the
world's **richest** duck! He could pay fines
from now until doomsday!

How d'you
know?

I **knew** I'd seen that duck somewhere
before, and I **have!** Here's his photo in
the paper!

I getcha, boss! But
how can we get all
his money?

We gotta think of a way to
make him commit **more**
crimes, of course!

We're in **luck!** They even left the key in the ignition!

Are you sure it's **luck**, Unca Scrooge? This smells like a **trap!**

Don't worry about it! The main thing is to get **out** of here as fast as we can!

Say...what if those ducks just drive on through **without** stopping in the ghost town?

Don't worry, Sheriff, they'll stop all right! I put just enough petrol in the car so they'll **run out** as soon as they get there!

When **that** happens, those ducks'll be trapped like rats! **Heh! Heh!**

Very clever! **Hur!**

Shortly...

Look! There's a **town!**

Yippee! Let's stop there!

What happened?

Looks like we'll **have** to stop! We've run out of petrol!

SPUTTER! GASP! WHEEZE!

We'll have to walk the rest of the way. We should be able to find **someone** to help us... or at least a phone to get help.

(Gulp!) This...this is a **ghost town!**

Wow! We've discovered an old town built by **the pioneers!**

Okay, I'm impressed! But **now** what are we going to do?

We've got 'em trapped! Now to go in and arrest 'em for **escaping** and **stealing** a confiscated vehicle! That should be worth a super-duper megafine of a **million** pounds!

Let's go, Horace! We're about to get rich!

(Sigh!) We're hundreds of miles from the nearest city, and we don't have any way of getting help!

It's all **your** fault! You're the one who wanted to come all the way out here in the middle of nowhere! **Phooey!**

You were the one who was too busy **complaining** to pay attention to the road! So it's all **your** fault that our tyres got punctured!

Look! Here comes an **Indian!**

What's that on his horse?

It looks like a blanket. That gives me an **idea!**

And so...

Do you understand? We're in heap big trouble and we need you to help by making **smoke signals** with your blanket!

Comprenez? Make **puff puff!** Smoke signals, tell friends far away! **Puff! Puff!**

If you help us, I'll give you a **big reward!** How does a shiny new **penny** sound?

Well? What do you think?

I am thinking of a **number!**

A number? **What** number?

Probably the number of **puffs** he needs for his smoke signal message...

No! I'm trying to remember my tribe's **phone number!**

!?

Why go to the **trouble** of making **smoke signals** when you can just call people on a **mobile phone**?

Soon...

Look, Sheriff! The ducks have got an Indian with them!

Ain't that nice? We can fine **him**, too, for all kinds of crimes! **Har! Har!**

Freeze! You're under **arrest!**

Yeah! Shoot or we'll stop! I mean...er...oh, the heck with it! Do what the sheriff **said!**

Right, you criminals! Attempting to escape is gonna cost you, an' I mean cost you **big time!**

As for you, Mr. Indian, I don't see any **licence plates!** Riding around on an unlicensed horse is against the law! And where's its tax disc, or don't you **have** one?

Since when do horses need licence plates and tax discs?

Since **today!** I'm the **law** in these parts and that's what I just decided!

If you don't pay the fine, I'll **confiscate** the horse **and** the blanket! And if I catch you **off** the reservation again, I'll **arrest** you and...

You don't have the **right** to do that! My father is the tribe chief, we own this land! I am free to...

Let me tell you something, Sheriff! I just called his tribe for **help**, and they're on their way!

So how did you manage that? By **yelling** real loud?

Yeah, like...**Heyelp! Heyelp!**

No. It was far easier to use this mobile phone!

!?

...I'm appointing myself **Sheriff!** You and your deputy are under arrest for **abusing your power** and taking the law into your own hands!

Until we can turn you over to the proper authorities, you'll be the first guests in the ghost town jail!

What can you offer tourists, except for the town itself? Any special attractions in mind?

You've just given me a brilliant **idea**, nephew!

And so, later...

Isn't Unca Scrooge smart? He got permission from the judge to let those crooks serve their sentence here in the ghost town jail!

Then he turned them into a **tourist attraction!**

The jail's the most popular place in town! Tourists keep coming back to look at the prisoners in its cell!

There's **always** a long queue!

And they're all waiting to hear Unca Donald tell the exciting tale!

Ladies and gentlemen, you will see behind these bars two **typical villains** of the **Wild West**...

See, Mummy? They look like **real** bad guys!

GRRR!

Phooey!

HOW MANY CUBES?

Morty and Ferdie have counted these cubes, but each of them has come up with a different number. Look carefully and see how many cubes you think there are.

The answer is on page 31.

GRANDMA'S FIELD

Grandma Duck is thinking of planting some potatoes, wheat, corn and beans in her field. She needs to divide the field into four parts, all the same shape. Can you help her work out how to do it?

The answer is on page 31.
